20 things you can do...

### Professional and Graduate School

1) Browse our print and online resources to explore professional and graduate school programs, find out about admissions requirements, and learn how to prepare and apply.

2) Schedule an individual appointment with one of our expert advisors.

3) Attend our annual Professional & Graduate School Information Fair and/or Law School Information Fair during the fall term.

4) Pick up test registration materials for the GRE, GMAT, LSAT, PCAT, CBEST, OAT, and DAT.

5) Drop off your application essay for a critique and take advantage of our reference file service if appropriate.

6) Boost your interviewing skills through our practice interview workshops for health professional school applicants.

### Internships and Practical Experience

7) Visit our Internship Library to find out about internship opportunities, including paid internships, in San Diego and elsewhere.

8) Check out our extensive “Internship SuperSite” at career.ucsd.edu.

9) See an advisor about finding an internship that’s right for you and preparing a stellar internship resume.

10) Learn more about the UCDC Internship Program in Washington, DC.

### Career Exploration

11) Attend workshops on interviewing strategies, smart job searching, resume writing, and other critical career skills.

12) Get your resume critiqued by our experts during an individual career advising appointment.

13) Explore industries and job categories, obtain salary data, and research companies using our powerful online and print resources.

14) Use our self-assessment tools to uncover your strengths and interests.

15) Learn about networking opportunities, including the Career Access Network, professional associations, and our annual Life 101 event.

### Job Opportunities

17) Access thousands of Port Triton job & internship listings at career.ucsd.edu.

18) Learn how to find work-study jobs on- and off-campus.

19) Find out which employers will attend our Triton Job Fairs and which companies are conducting on-campus interviews at the Center for internships, part-time, or full-time career positions.

20) Get the inside scoop on potential employers’ job/internship openings and corporate culture during company presentations at the Center.

### Freshman Year

- **Self-Discovery & Exploration**
  - Discover interests and strengths through coursework, student activities, and part-time jobs.
  - Meet with a career advisor.
  - Use our self-assessment tools and research your career options.
  - Go to Port Triton at http://career.ucsd.edu to look for part-time jobs (including work-study), and internships.
  - Attend workshops and panel presentations that relate to your career interests.

### Sophomore Year

- **Exploration & Decision-Making**
  - Continue exploring your career options. Spend time using our libraries and online resources. Attend career panels and workshops.
  - Start building career-related work experience and developing skills through part-time jobs, internships, and summer jobs.
  - Check out our Internship SuperSite at http://career.ucsd.edu.
  - Meet with a career, internship and/or grad school advisor to discuss goals, preparation and/or application processes.

### Junior Year

- **Decision-Making & Preparation**
  - Narrow down your choices, make tentative decisions, and continue to obtain career-related experience and/or plan for grad/professional school.
  - Attend workshops & networking programs, such as Life 101, through the Career Services Center. Get your resume and/or application essays critiqued by an advisor.
  - Gather info needed to firm up your goals. Attend Triton Job Fairs and/or Professional & Graduate School and Law School Information Fairs. Set up informational interviews with professionals in your field.

### Senior Year

- **Implementing Your Career Goals**
  - Start pursuing your first full-time job after UCSD using networking, job search workshops, Port Triton job listings, and help from our career advisors.
  - Follow through with your applications to professional or graduate schools.
  - Land a job and/or get accepted into a graduate or professional school program.
  - Consider an Alumni Association membership to ensure access to our career resources after graduation—use your new grad discount!
